giro

studio deberenn

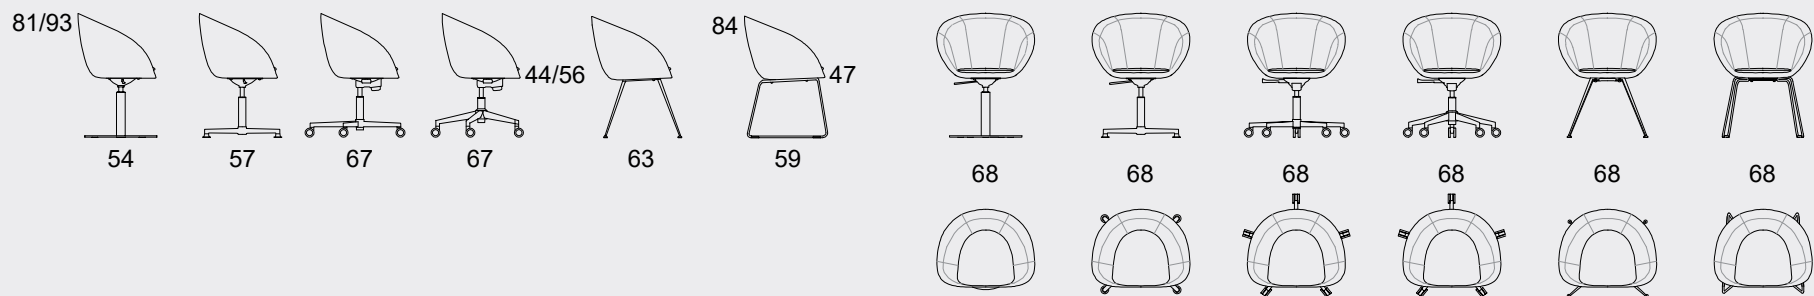

the
outstanding
comfort

Trying to find a chair with a fancy look, but comfortable for long office hours? Studio deberenn, concentrated on this idea while molding the Giro chair. This relaxed character and high-level comfort chair has becoming increasingly important in businesses today.

The versatile nature of different types of Giro family have been used to furnish various work zones providing efficient and comfortable work arrangements. Giro is a gently shaped chair providing maximum durability, balance and harmony, exemplifying beautiful seating.

The product's curved; round back shell and soft upholstery are quite simply icons of design and gives us a home-like feel and enjoyable product. With its comfortable seat cushion and smooth stitching details, Giro has a timeless look that would perform anywhere from offices to open areas.
